IoTs Languages Starategy Network 2014/15 - is there a need?

- 18th Oct IoTs Languages Network meeting
- **what is the purpose now?**
- Replies from 11 colleges
- Conclusion: there is a need as this network includes **all** languages and IoTs and differs from IRAAL, the French network (AFA), German Association (GSAI) and OVFL etc.
- Now **“IoTs Languages Network”**

Current purpose

- Practical approach – applied language – reflecting what we do in the IoTs
- Develop up-to-date policies/Keep in touch with current languages policies & practices
- Sharing of good practice & materials
- Explore funding opportunities & CPD & staff mobilities
- Dissemination of relevant information
- Meet once a year and if possible not always in Dublin
- Phone & email survey: to follow in November in order to obtain suggestions from network colleagues re (e.g. contact person? role of the network? events of practical use? best time for annual meeting/events?)
